

**A MESSAGE**

FROM OUR BOARD PRESIDENT **GEORGE FORCIER**

As we look forward to 2024, I am reminded why our dedicated volunteers commit so many hours of their time and why our donors are so generous. This newsletter contains quotes from some of our patients who completed a voluntary survey at the end of their visits to our clinic. These comments reflect the valuable contribution made to our community in a way that is better than I can ever express. Just as a reminder, approximately 10% of residents in our area currently do not have medical insurance. I thank you all for being an important part of this effort.

Sincerely,  
*George*
